Committees:

Farmers Market committee – Lillie, Andre, Brent and Andy met. It was decided for the market to go ahead with precautions taken for the coronavirus. The vendors will be encouraged to take pre-orders to minimize time people need to be at the market. Vendors will be encouraged to prepackage items. Possibly put a buffer table between customers and vendors. Possibly keep incoming cash separate from making change cash. Encourage customers to wait in car if there is a crowd. First market day will be June 3rd and will continue into October.

Should we create a local foods directory for our area?

Butcher Shop – Tim met with several interested people and is looking for others who might like to participate. Report from Will Ortman is that the mobile slaughter unit has been sold. The restaurant is for sale.

Roy will be publishing a new book that will have some discussion about Rural Revival

Adjournment: Moved by Lillie Eisenbeis, seconded by Phil Eisenbeis and passed.

Respectfully submitted by Dennis Jurkovich, Secretary
